Dear Parents,

We welcome you to the The Basilica School of Saint Mary Star of the Sea family and thank you for inviting us to be partners in the total education of your children. Our school is but an extension of the home. The Second Vatican Council recognized parents to be the first and foremost educators of their children; you teach them to know, love and serve God, to honor you and your elders, to live with others, and appreciate the beauty of our world. We are humbled to be part of your commitment to your children.

The Basilica School of Saint Mary Star of the Sea strives to expand the educational experience of each child with special emphasis on religious values rooted in our Catholic Christian faith. The primary purpose of our school is to help families and children find their way to the Kingdom of the Father in the midst of the many pressures, contradictions and confusion presented by our modern, secular society. With God's help we will work together to keep our sense of direction as we point our children toward Christian maturity and ultimately eternal life!

We are here for the children – let us all keep that ever in mind! It is our sincere hope that this handbook will help you better understand our purpose and the procedures at The Basilica School. We will be grateful for any suggestions that will provide for a better understanding of our school program.

## HISTORY OF THE SCHOOL

The Basilica School of Saint Mary Star of the Sea has a long and rich history. The Sisters of the Holy Names of Jesus and Mary, a Canadian Order, founded the first school. Five seasick sisters arrived aboard the freighter Sedwedge in 1868. The orders from their Reverend Mother Superior were to establish a convent and open a school for girls.

The first school was opened in an abandoned army barracks on the outskirts of town. The sisters' works prospered and in 1874 they purchased the present site of the school for \$1000. The eight-acre tract of land was cleared and a magnificent Conch style school building, considered the handsomest educational building in the State of Florida, was erected and called the Convent of Mary Immaculate. Due to extensive termite damage the original building was torn down and a new facility built in 1966. The loss of the convent building brought about the creation of the Old Island Restoration Foundation.

The Convent of Mary Immaculate, later renamed Mary Immaculate High School, was open from 1886 to 1986. St. Francis Xavier School for African-American children was open from 1872 to 1961. St. Joseph School for boys was open from 1880 to 1961, and a school for Cuban girls ran from 1873 to 1878. In 1961, St. Francis Xavier School, St. Joseph, and grades one through six, were consolidated to form St. Mary's Star of the Sea School.

In 1962 a new school building was ready for occupation and opened for students in Kindergarten through grade 6. The high school and St. Mary's combined in 1983 to become Mary Immaculate of Saint Mary Star of the Sea, serving Pre-K 4 through Grade 12. Due to decreasing enrollment and rising operational costs, Mary Immaculate High School was closed in 1986.

Mary Immaculate Star of the Sea School for Pre-K 4 through 8<sup>th</sup> grade moved into the high school building and opened in the fall of 1986. The school grew steadily and prospered. In 2012 the church of Saint Mary Star of the Sea was designated a minor basilica. As a result, the name of the school was changed to The Basilica School of Saint Mary Star of the Sea

The Sisters of the Holy Names served the Key West community for over 115 years. The Daughters of Divine Charity joined the family of Mary Immaculate in 1993 and served until 2007. The most recent missionaries to Key West were three Holy Spirit sisters from Tanzania who arrived in August 2008. The order is part of Opus Spiritus Sancti, a family of religious and lay communities that originated in Germany after World War II. The sisters are from the Kilimanjaro region of Tanzania and serve the school and parish in various ministries.

The Basilica School of Saint Mary Star of the Sea is proud to be one of the oldest Catholic schools in the state of Florida and continues to carry on the tradition of providing excellence in Catholic education on the island of Key West.

## **INTRODUCTION TO THE SCHOOL**

An interesting and challenging experience awaits you as a student or parent of the school. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

### **Name**

The school is named in honor of the patron of our parish, Our Blessed Mother, under the title, Star of the Sea.

### **Seal**

Based on the coat of arms of the Archdiocese of Miami, the position of the sand indicates that this parish was the beginning of the Archdiocese of Miami and is at the end of it. The Conch shell is the traditional symbol of Key West. The star above the conch is for our Patroness. Below the cross and above the ombrellino is a conch pearl.

### **Motto**

*Spe Salvi* is the motto of the basilica parish and school. Pope Benedict XVI introduced his second encyclical letter with the same title, "Spe salvi facti sumus," "in hope we were saved," says Saint Paul to the Romans, and likewise to us. (Rom.8:24) Pope Benedict XVI concludes *Spe Salvi* with a comprehensive reflection on our Patroness, Stella Maris, Star of the Sea.

### **School Colors**

The school colors are Royal Blue, Gold, and White.

### **Mascot**

The school mascot is a Mariner.

### **Alma Mater**

"Down in Dixie, Far at the Sea"

## **Down in Dixie, Far at Sea**

*Words and Music by: Sister Mary Elizabeth*

Down in Dixie far at sea,  
Where the Gulf and Ocean meet  
Like a Tropical coral Key,  
Bathed in sunshine's droning heat,  
Mid its palms and crimson vines,  
Flowers and Royal Poincianas grand,  
You'll find a school, the fairest school,  
In our Southernmost Dixie Land  
MISS, You're the school I love the best,  
MISS, You're the pride of sunny Key West  
MISS, Every student in white and blue,  
Shall hold in sweetest memory, The hours they've spent with you.  
MISS with your banner in glory unfurled,  
And The Holy Names, You will soar and cheer the world.  
MISS to every student in white and blue,  
You'll be a rainbow, a beautiful rainbow, Over life's stormy sea,  
You'll be a haven of peace, Our Alma Mater warm and true.

## **Electronic Acknowledgments**

Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking “submit” or “accept” on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, **Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE** to receive and be bound by electronic acknowledgments.

# REGISTRATION & ADMISSIONS

## Open Admission Policy

The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

The Basilica School of Saint Mary Star of the Sea adheres to Title VII of the Civil Rights 1964, as amended, Title IX of the Education Amendment of 1972, Americans with Disabilities Act, which prohibits discrimination on the basis of sex, race, color, religion, national origin, or physical ability.

The Basilica School reserves the right to refuse admission to students for the following:

- The school deems it cannot meet the proper educational needs of the student
- The school feels the disciplinary record of the student does not meet the school disciplinary requirements
- The school experienced difficulty in collecting fees
- The school received unsatisfactory cooperation from the family concerning school policies
- The school has not received the necessary Health Forms or Birth Certificate

The Basilica School is not required by law to accept students with learning disabilities nor to readmit a child who is identified as learning disabled. The Basilica School must carefully consider each child's needs and the ability of our teachers to meet these special needs. Consideration for the needs of students with special needs must be balanced with the teacher's ability to address all students in the classroom.

Should a student with learning disabilities attend The Basilica School and any accommodations or modifications made to work with the student's special needs, the Archdiocese of Miami requires that it be reflected on the student's report card. Examples of accommodations may include but are not limited to:

- Reformatting of materials
- Allowing extra time to complete work
- Adjusting the amount of work required
- Adjusting the grade level of work required
- Adjusting the grading scale

The Basilica School of Saint Mary Star of the Sea will accept children whose parents demonstrate an understanding of the specifically Christian nature of the school and desire to participate in that mission.

The Basilica School follows the guidelines of the Archdiocese of Miami and is accredited by the Florida Catholic Conference.

In matters of admission and registration, the final decision lies with the local pastor and the principal.

## Undocumented Students

A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Archdiocese of Miami may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

## **Immunizations**

The Archdiocese requires that prior to enrollment or attendance in grades Kindergarten and above, each student presents or has on file with the school a certificate of immunization form for the prevention of communicable diseases for which immunization is required by the Department of Health.

Therefore, in addition to a school physical, all students attending The Basilica School are required to follow the State of Florida requirements for immunizations. The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts or any other student records and/or disallow participation in or access to school activities, and/or dis-enroll the student if any financial obligations are not met. **Any and all fees must be up to date before promotion or graduation. Additionally textbooks, library books, iPads, and any school equipment must be returned or paid for before promotion, graduation or the issuance of transcripts.**

## **Private Tutoring, Coaching or Lessons**

# AM/PM PROCEDURES, ABSENCE & TARDY POLICIES

## Parking

**There is no parking along the circle in front of the school. This is a designated Fire Lane and is used for drop off only.** Drive through and discharge students at curbside only.

Limited short term parking for parents while conducting business in the office, etc., is available on Truman Avenue or in the Adoration Chapel lot. Parents may also use the main parking lot off Windsor Lane.

## Arrival

School begins at 8:00 a.m. Students arriving after 8:00 a.m. are considered tardy and must report to the office for a tardy slip before going to class. (See **Tardy Policy** below)

Please do not drop students off before 7:30 a.m. If it is necessary to drop off a student before 7:30 a.m., the school will not be held responsible. Please do not drop off a student before 7:30 a.m. unless special arrangements for him or her in advance. Students are to remain in the area in front of the office until the bell rings to report to class. Parents are welcome to wait with their student in the entryway until the first bell, however they may not walk students to classrooms. This can be distracting especially to young students. Please check with your child's teacher for his or her preferences or exceptions.

Preschool student drop off is from the back parking lot (Windsor Lane). Students in grades K-8 may be dropped off at the Truman entrance.

## Tardy Policy

Students who arrive at school after the 8:00 a.m. bell will receive an unexcused tardy. They must stop in the office to obtain a late slip before going to class. Parents may not take late students to class; office staff will insure younger students are escorted to class. Note that when a student is tardy, his/her arrival disrupts the rest of the class. A phone call or written explanation from the parent should be submitted to the office on the day of the tardy. Parents of students who are habitually tardy may be notified by the administration and asked to correct the problem.

**Five unexcused tardies in excess of 10 minutes will equal an absence.**

Doctor or dentist appointments and family emergencies are considered an **excused tardy**. To receive an excused tardy for these situations, the student must bring a written note from the parent or doctor.

## Dismissal

Dismissal for all grades is 2:50 p.m. Students are dismissed from the back of the school, accessed through the back parking lot off Windsor Lane. Check with classroom teachers to see where each grade waits for pick-up. (See below for rainy day dismissals.)

Students not picked up within 15 minutes of dismissal time will be sent to Beyond the Bell and the family will be charged accordingly.

## Early Dismissal

Please check the school calendar or the monthly calendar for early release dates. Typically these are teacher training days. The usual dismissal procedures are followed. (The calendar is on the website: <http://basilicaschoolkeywest.com/>)

## Rainy Day Dismissal

On rainy days all students except PreKs are dismissed from the cafeteria. The school will make every attempt to send out a text message announcing rainy day dismissal. Please be sure that the rainy day tag with family name is visible on the dashboard. Use caution as traffic can back up quickly. Parents are to remain in their vehicles and children will be escorted to them.

**Exception:** Preschool children remain in their classrooms. Parents must walk to the classroom to pick them up.

## After School Activities

Any student who stays for an after school activity needs to be picked up on time or leave the school grounds once the activity is over. Any student not picked up on time will be escorted to the after-school program and the family will be charged accordingly.

## Absences

Parents are asked to call the office before 9:00 a.m. to report a student's absence.

Furthermore, it is the policy of the Archdiocese of Miami that a written excuse shall be submitted to the office upon the student's return. The excuse must be signed by the parent or guardian.

We would appreciate your cooperation in the absence policy. When a student returns to school he or she needs to bring a note containing the following:

1. Date
2. Full name and grade of student
3. Date of Absence
4. Reason for Absence
5. Signature of Parent/Guardian

Absentee notes should be given to the child's teacher or front office. Any student without an absentee note will not be allowed to return to school until contact with a parent/guardian is made. Students who are absent due to a serious health problem or a contagious disease require a doctor's note allowing reentry into school.

## Makeup Work

**It is the responsibility of students to check on work missed due to an absence.** Please check with individual teachers to confirm policies regarding make up work.

## Excessive Absences

A school may report truancy to the Department of Children and Family Services when there is an extended absence without written explanation from the parent. **However, a student who is absent from school more than 20 days in a school year or maximum of 5 days per quarter may not be promoted to the next grade unless the principal grants an exception and determines a way in which the student can make up the work or receive additional instruction.**

It is the policy of the Archdiocese of Miami that a record of attendances and absences be entered in the cumulative folder and permanent record card.

## Medication

Students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should not be delegated to school personnel except under unusual circumstances. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

1. An "Authorization for Medication" form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
2. Medications to be taken by students must be personally brought by the parent or legal guardian to the School Office. Medications to be dispensed at school must be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label. Students may not bring the medication to school alone.
3. If a student must take any medication during the school day, the medication must be kept with the Nurse or School Office and the student must go there to take it.
4. While the school will monitor a student taking the medication, the school will not remind students to come and take their medication.

Exceptions to this policy may also be made for the use, supply and administration of an epinephrine auto-injection (Epipen).

## Closed Campus

The Basilica School is a closed campus. The front and back gates are locked each morning and stay locked until 2:30 p.m. Students are not permitted to leave the campus during the school day unless signed out by parents or guardians. All students must be signed out through the front office.

## Visitors

All visitors are required to sign-in with the office and wear a visitor's badge.

All visitors wishing to enter campus must have a valid driver's license or comparable identification to be scanned by School Gate Guardian. **Between 7:30 a.m. and dismissal, parents and visitors are not allowed to go to classrooms without an appointment.**

A visiting student must be approved by the Administration.

## Search and Seizure policy

The principal and his/her designee has access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

### **Eighth Grade Awards and Graduation**

The 8<sup>th</sup> Grade graduation takes place approximately one week before the last day of school. Special awards may be presented by the Administration and Pastor.

## **Graduation Requirements**

Graduation ceremonies are held for 8<sup>th</sup> grade students at the completion of a formalized course of study. Graduation is a significant milestone in the life of a student however attendance at graduation activities, including graduation ceremony, is a privilege, not a right, and must, therefore be earned. Pastor and Principal reserve the right to make the final decision regarding a student's attendance at these functions.

All school materials must be returned in good condition. Any replacements costs, library fines, tuition, and school fees must be paid before graduation.

## **Retention and Promotion Policy**

All students should be promoted unless retention would enable a student to achieve greater academic success. Promotion to the next grade presupposes that a student has mastered, at the appropriate level, the basic skills and subject matter taught at each grade.

## **Criteria for Retention**

**Final F's in three major subjects:** Student is automatically retained.

**Final F's in two major subjects:** Student may be retained.

*Note: The final grade is determined by averaging the four quarterly grades for the subject.*

Students will be evaluated on a case-by-case basis. In order to be considered for promotion, the student may be asked to make up work as evidence that s/he has mastered the basic skills and content of the failed subjects. Final retention and promotion decisions rest with the school administration.

It is the responsibility of the parents to ensure their student has completed his/her work. Parents are expected to regularly monitor their student's progress through Gradelink and other school communications, including Tuesday envelopes (see **Communications** below). Teachers will attempt to identify students with promotion-threatening difficulties as early as possible during the school year.

In order to keep a child enrolled in The Basilica School, parents must cooperate with a teacher's recommendation for testing.

## **Academic Deficiency Policy/Progress Reports**

Student progress should be monitored regularly by parents on Gradelink and through other classroom and school communication channels. Check with classroom teacher if you are not getting regular communications from school or cannot access Gradelink. Progress reports are usually issued mid-way through each term, but academic deficiency reports can be issued when a student falls significantly behind.

## COMMUNICATIONS

Communication between home and school is a vital part of the educational process. Teachers share with parents the privilege and obligation of educating their children. Therefore, every effort should be made by parents or guardians to keep informed of the programs of The Basilica School via its established communication outlets. If you do not seem to be receiving regular communications from school, please check with the office or classroom teacher so the accuracy of your contact information can be checked.

School news and announcements are posted on the school website, social media, the parish bulletin, and are sent home via emails, texts, or printed notices. The school sign at the main entrance on Truman Avenue will also contain current notices and information.

( [www.basilicaschool.com](http://www.basilicaschool.com), [www.facebook.com/basilicaschoolkeywest](https://www.facebook.com/basilicaschoolkeywest) )

For student grades, homework, and classroom news, parents are asked to monitor Gradelink ([www.gradelink.com](http://www.gradelink.com)) and weekly communication envelopes or binders as their primary sources of information. Each student's Gradelink login and password is sent home at the beginning of the school year. If you have lost this information or cannot log onto the system, please call the office for assistance.

Envelopes containing student work, teacher notices or information on special events are sent home each Tuesday. The envelope should be signed by a parent/guardian and returned to the student's homeroom. If the communication envelope is misplaced, a replacement may be purchased at the office. Please note that some primary teachers may use special student binders in place of the weekly envelope for home/school correspondence. If in doubt, check with your child's teacher.

Teacher email addresses are available on the school website or you may obtain from the teacher or office. The yearly calendar is sent home at the beginning of the school year and is available on the school website. More detailed monthly calendars are also sent home each month or viewed on the school website.

### Parent-Teacher Conferences

Faculty members are always eager to discuss student progress with parents or guardians. Please contact the teacher or the school office to set up an appointment. However, spontaneous conferences are discouraged. At no time are parents or guardians permitted to present themselves to a teacher at his/her classroom. Additionally, since teachers must supervise students at dismissal, they cannot hold impromptu conferences simultaneously with this duty. Scheduled conferences insure that teachers and parents are able to discuss student progress without the distractions of other responsibilities.

### Changes of Address, Telephone, Emergency Contact or Pick-up Permissions

Families are asked to make sure that the school is notified of any changes of address, phone, emergency contacts, or pick-up authorizations for their student(s). Students who walk or bike home must have a release on file with the office.

## **PARENTAL COOPERATION**

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it is at school events, on or off school campus, or on social media or other public forums. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

Parents are an integral part of The Basilica School and their presence as volunteers in school and at school events is essential and valued. All parents agree to assist the school by volunteering during the school year. It is recommended that each family volunteer 20 hours. Families receiving special tuition assistance may be required additional hours as per their agreement.

Further principles of parent cooperation at The Basilica School are in **Parent Pledge** at the end of this document.

## **PARENT TEACHER ORGANIZATION (PTO)**

The Basilica School of St. Mary Star of the Sea Parent Teacher Organization (PTO) provides parents, teachers, administrators and parish staff with a forum to meet on a regular basis and to share information about the school and parish. PTO is instrumental in volunteering and fundraising for the school. Meeting reminders are made through the usual school communications outlets. All parents are encouraged to become a part of PTO and to attend general meetings.

## **SCHOOL BOARD OF MANAGEMENT**

The Basilica School of St. Mary Star of the Sea is the school of The Basilica of St. Mary Star of the Sea Parish. The Board of Management facilitates and promotes close pastoral links between the Pastor, and clergy and the teachers and families of the school. The Board of Management encourages collaboration between the school and the parish, particularly in the preparation for the children for the Sacraments and for participation in the liturgical life of the parish community. The educational progress and the welfare of the children are the overriding consideration in all decisions arrived at by the Board of Management. The Board usually meets monthly during the school year. More comprehensive information on the Board is available through the school or parish office.

## **SCHOOL VOLUNTEERS**

The Archdiocese of Miami, in ongoing efforts to provide a safe environment for our children, requires that all school volunteers:

- Be fingerprinted and complete a background check. (This policy applies even if an individual has been cleared through an FBI or FDLE check conducted by their employer or another entity.)
- Participate in the Virtus® program, i.e. attend a Virtus class and maintain a Virtus account to read monthly bulletins.
- Complete the Archdiocesan “Volunteer Pledge to Promote Safe Environment.”

Fingerprinting for background checks is available at school by appointment. Please call the school office for hours and directions for scheduling an appointment.

The Virtus class, “Protecting God’s Children for Adults,” is offered at various times throughout the year. Participants pre-register online at [www.virtusonline.org](http://www.virtusonline.org). Please check with the office for upcoming classes.

The Archdiocese of Miami policy is available on its website at:  
[http://www.miamiarch.org/CatholicDiocese.php?op=PGC\\_Safe\\_Environment](http://www.miamiarch.org/CatholicDiocese.php?op=PGC_Safe_Environment)

## OTHER SCHOOL EVENTS AND SERVICES

### Lunch

Lunches are offered five days a week and the menu is published monthly. Payment for lunch is made through FACTS.

### Mariner Snack Room

The Mariner Snack Room is open each day at lunch based on volunteer staffing. Assorted snacks and drinks are available for purchase. The snack room is staffed by parent volunteers. Please let the office know if you are interested in working one day a week from 11:30a.m. to 12:30p.m.

### Birthday Celebrations

Many families celebrate a child's birthday by bringing a special treat to school. While classmates enjoy sharing each other's special day, school is not the place for a full-fledged birthday party. Parents may bring in ready-to-serve items like cupcakes, ice-cream cups, etc., to share during their child's lunch period. Parents must consult with the classroom teacher in advance. This is necessary to avoid any scheduling conflicts, confirm time, numbers, and most importantly to advise about any dietary considerations (e.g. allergies, diabetes, etc.). Keep in mind that school lunches are on a tight schedule so punctuality is appreciated.

### School Pictures

School pictures are taken each year in the fall. Since school pictures are used for the school yearbook, school uniforms are worn for them.

### Library

Students are encouraged to use the school library. All library books may be checked out for two weeks; students may have only two books checked out at any given time. Reference books may not be removed from the library.

All library books are due back at the end of each school quarter, or report cards may be withheld pending return or replacement of borrowed materials. Students will not be able to graduate or receive final awards or report cards unless all library books are returned or replaced.

## **Campus Ministry**

**Choir:** Students in Grades 3 to 6 are invited to join the school choir.

Practice is held each Friday before Mass. The choir sings at all school Masses, the Sunday Family Mass at 9 a.m. and other special events.

**Altar Servers:** Boys and girls who are practicing Catholics in grades 3<sup>rd</sup> to 8<sup>th</sup> and have received their First Communion are invited to be altar servers. Contact the rectory at 294-1018 for more information.

## **Religious Events and Traditional Celebrations**

### **Mass**

The student body attends Mass each Friday at 9:15 A.M. Parents are invited and encouraged to join their child. Classes take turns reading at Mass each week.

The Friday celebration of Mass is a privilege. However, it is not a substitution for participation in Mass on the Lord's Day, Sunday. It is our expectation that all Catholic students will participate in Mass on the weekend, that all Protestant students will attend service in their Church on Sunday, and that all students of other faiths will actively participate in their faith's services and practices.

Basilica School students may also be scheduled to read at the 9 a.m. Sunday Family Mass occasionally.

### **Sacrament of Reconciliation**

Penance services and Confession are offered twice a year: during Advent and during Lent. The opportunity for individual confessions is also available on Saturdays in the Church from 4:30 to 5:30 p.m. and by appointment.

### **Sacramental Preparation**

First Communion and First Reconciliation preparation is offered in the second grade. Confirmation preparation is offered in the eighth grade. In addition, preparation for these Sacraments, as well as the Sacrament of Baptism, is available upon request for children in other grades who have not yet received them. Families are encouraged to contact the rectory (305-294-1018) or school office to let us know how we can be of assistance.

### **Holy Days of Obligation**

Students attend Mass on Holy Days of Obligations and special Feast Days.

### **Blessing of the Animals**

Blessing of the Animals is held in October in celebration of the Feast of St. Francis of Assisi. Students are invited to bring their animals for a blessing. Typically, pets are brought to school shortly before dismissal for a blessing.

### **Stations of the Cross**

Stations of the Cross are held each week during the Lenten Season beginning after Ash Wednesday.

### **May Crowning**

Following the tradition of the Convent School of Mary Immaculate, a procession and May Crowning is held each year following a school Mass during the month of May. The date varies; parents are invited to join us. **Second Grade children process in their First Communion outfits; 8<sup>th</sup> Graders dress up and an 8<sup>th</sup> grade girl crowns Mary.**

### Student Council

The Basilica School students are invited to serve as Student Council representatives or Student Council officers. Elections are held at the beginning of the school year. Student Council allows students' suggestions and concerns to be voiced. The goals of the Student Council are:

- To cooperate with faculty in promoting the general welfare of the school
- To develop and maintain school spirit
- To provide a forum for student expression
- To sponsor activities that benefit the student body and the community

### National Junior Honor Society (NJHS)

The National Junior Honor Society is an organization that recognizes students who reflect outstanding accomplishments in the areas of scholarship, service, leadership, citizenship, and character. Members of the Basilica School Chapter of the National Junior Honor Society must be in grades 6-8, maintain at least a 3.5 cumulative grade point average, complete at least ten hours of community service per semester (five of which are served at school), and regularly attend the NJHS meetings. There is a formal induction ceremony for those who qualify in the spring and an informal ceremony for those who qualify in fall.

### **Green Team**

The Green Team is an after-school club geared toward helping the environment. Students in this club are interested in “going green.” They concentrate on becoming educated, spreading the word, and then taking action. This club is active and interactive. The students participate in science experiments, on-line research, discussions, gardening, involvement in the school’s recycling efforts, as well as community outreach.

### **Sports**

The Athletic Director and Coaches are in charge of the sports programs at The Basilica School. There are currently three team sports offered: Boys and Girls Basketball and Girls Volleyball. In addition to these team sports, The Basilica School Running Club meets once weekly after school for fun runs and conditioning. Participation in a sport is a privilege. Students who choose not to follow school rules and regulations may be excluded from participating. To remain eligible to participate in athletic contest, a student must maintain a 2.0 GPA in all academic quarters.

Each year Thanksgiving is commemorated with Mass and special classroom celebrations which may include traditional foods and dress as Native Americans or Pilgrims.

### **Christmas Program**

All students participate in a school Christmas musical prior to the Christmas Break which includes a Christmas pageant or other religious expression of this holy season. Students are required to participate.

### **Christmas Parade**

In early December a Christmas Parade is sponsored by the City of Key West. The PTO hires a Conch Train and welcomes students and parents to ride the train and represent the school. If a parent volunteer steps forward to coordinate it, the school enters a float or other entry. Those interested in being involved are invited to contact the office.

### **Catholic Schools Week**

Catholic schools nationwide celebrate Catholic Schools Week each year, usually during the last week of January or early February. Special activities are held throughout the week.

### **Valentine’s Day Carnation Sale**

The Student Council sells carnations for Valentine’s Day. Students may purchase for each other and Student Council delivers those carnations ordered to classrooms.

### **Easter Egg Hunt**

The school hosts a traditional egg hunt for the school or community during the Easter Season.

## **Field Day**

Field Day is a sports day organized by the Physical Education teacher.

Students are divided into teams and compete at various events in celebration of athleticism, good fun, and sportsmanship.

## **Field Trips**

**Field trips are arranged by the teachers.**

- Field trips are a **privilege**. A teacher may exercise the right to refuse to allow a student to participate in a field trip if he or she fails to meet academic or behavior requirements.
- Parents also have the right to refuse to allow their child to participate in a Field Trip.
- All students are required to bring a Field Trip Permission Slip which releases the Administration, Teacher, and Archdiocese from any and all liability. Students who fail to submit **PROPER FIELD TRIP PERMISSION SLIP ISSUED BY THE SCHOOL** are not allowed to participate. Verbal permission will not be accepted in lieu of the proper written school issued permission slip.

A copy of the permission slip form is located at the end of this handbook.

## **SCHOOL SPONSORED EVENTS**

The school does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events, including all field trips, excursions, or parties, are specifically identified in this Handbook or are identified in the school calendar and/or written notices generated and distributed by the school.

**Parents, by executing the acknowledgment of receipt of this Handbook, hereby release the school, the Archdiocese of Miami, and their corporate members, officers, employees, affiliates, and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from the school, including field trips, excursions, or parties.**

Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

## **FUNDRAISING**

No student may solicit funds in the school's name unless such solicitation has been authorized in writing by the principal.

## **USE OF PHOTOS**

The school reserves the right to use student or parent photos in any school publication and on the school's website. Any parent who does not wish his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year.

**Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.**

# RULES OF CONDUCT

Students and Parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including expulsion, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

## Disciplinary Policies as Guidelines

The discipline policies and procedures set forth in this handbook provide guidelines that the school may, at its discretion, employ in regulating student conduct. They do not however limit the school's right to freely and fully exercise any and all disciplinary measures, with or without prior notice or warning, including expulsion from school at the sole discretion of the school administration.

Students are expected to follow the "Behavior and Discipline Contract" at the end of this handbook in addition to the policies which follow.

## Consequences

Enrollment at The Basilica School implies a willingness of both parents and students to comply with the policies and procedures of the school. Discipline at school is considered an aspect of moral guidance and not simply a form of punishment. Discipline has several definite objectives: to provide a classroom situation conducive to learning to provide genuine character development; to assist growth toward self-discipline; and to foster respect for duly constituted authority.

Correction of minor classroom misbehavior will be made by the teacher immediately. If the misbehavior continues, a course of action might consist of a call (or email) to parent, followed by a conference with teacher, and possibly a conference with an administrator.

Consequences for misbehaviors, etc., might consist of missed recess or lunch detention, loss of other classroom privilege, etc.

## After-School Detention (Grades 6-8)

Students will receive an after-school detention for inappropriate behavior or continued violations of school rules. Detentions will be served after school from 3:15 p.m. to 4:00 p.m. under the supervision of school personnel. No schoolwork or homework may be done during detention.

Parents will be notified in advance that a student has been assigned an afterschool detention. If a student cannot serve a detention on the assigned date, a note must be presented to the principal for approval and to request rescheduling. Parents are expected to cooperate with the school in dealing with any behavioral problems that may arise and to communicate to their children expectations of proper conduct.

## Anti-Bullying Policy

The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, extorting or taking a student's personal property;

- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or
- (5) creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.

1. Definition

- a. **Bullying is the willful and repeated harm inflicted upon another individual** which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). **Bullying reflects a pattern of behavior, not a single isolated incident.**
- b. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

2. Scope

- a. This policy prohibits bullying that occurs either:
  - a. on school premises before, during, or after school hours;
  1. ii. on any bus or vehicle as part of any school activity; or
  2. iii. during any school function, extracurricular activity or other school-sponsored event or activity.

3. Reporting Complaints

- a. Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

4. Disciplinary Action

- a. Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

## **Harassment and Discrimination Policy**

The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Archdiocese of Miami. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

## **Bullying/Harassment Investigation Disclosures**

While the School generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the School may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or other measures that relate to the harassment and/or bullying at issue regardless of whether the matters disclosed are part of an educational record.

## **Drug and Alcohol Policy**

The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over-the-counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include expulsion from the school, even for a first offense.

Any student selling drugs on school property or at school functions may be immediately expelled.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense. While this measure may not often be implemented, given the seriousness of substance abuse, the administration may consider it an effective and justifiable way of combating the problem.

A school may conduct random searches as set forth in this handbook.

## **Threats of Violence**

The disciplinary consequences for a student whose verbal or written comments, including email messages, that threaten serious bodily harm to another student or member of the faculty or staff or destruction of property, may include, but not be limited to:

1. Immediate suspension from the school;
2. Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation. If it is determined that the child was serious about the threat and has the capacity to carry it out, the child may be expelled from the school. If it is determined that the child did not seriously intend to do harm to others, the child may be allowed to return to the school, at the discretion of the school principal.
3. If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be expelled from school;
4. The school should inform the Department of Schools of these cases. The school may submit an informational report to the police.

## **Weapons Policy**

Weapons are not permitted anywhere on school grounds. Anyone who brings a weapon on school grounds, who is in possession of a weapon, or who threatens others with a weapon may be expelled from the school. Any item used to threaten or cause bodily harm may be considered a weapon.

### Supervision and Monitoring

The school and its authorized personnel may monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. The school reserves the right to examine, use, and disclose any data found on the school's information networks or on any technological devices used by students on campus in order to further any administrative concern. It may also use this information in disciplinary actions and may furnish evidence of a crime to law enforcement.

## **Unacceptable Use of Outside Technology**

The school expects students to use information technology (including, but not limited to, the Internet, email, instant messaging and text messaging) in a responsible and ethical fashion in compliance with all applicable laws and with Christian moral principles, both in and out of the school setting. Accordingly, students may not post, place, upload, share, or communicate any images, photographs, statements or inferences relating to or including profanity, vulgarity, indecency, illegal use of drugs, illegal use of alcohol or other illegal or illicit activities.

Additionally, students may not use information technology for the purpose of defaming, threatening, teasing or harassing any other student, staff member, parent, faculty member, or other person. This includes, but is not limited to, communications on social networks such as My Space and Facebook. In addition, this rule applies to communications both during the school year and while students are on vacation or summer breaks. Students are responsible for all materials and communications made on personal websites and social networks and the materials and communications should be consistent with Christian moral principles, including any materials or communications posted on their sites by other individuals. Moreover, any unauthorized use of the school's name (or common names associated with the school) or any likeness or image of the school or its employees or agents is strictly prohibited.

## **Consent**

Many technological devices used at school have the capacity to generate audio recordings, video recordings, photographs, and other similar reproductions of images, likenesses, and/or sounds. The use of any such recordings and reproductions is governed by school policy. Parental/guardian execution of this Handbook constitutes an express consent and waiver as to any such recordings and reproductions incidental to the use of any technological devices on school property or at school events.

## **Consequences for Violations**

A violation of these rules may result in disciplinary action, including the loss of a student's privilege to use the school's information technology resources and any additional consequences at the principal's discretion including expulsion.

## **PERSONAL ELECTRONIC DEVICES**

Cell phones and other personal electronics (iPods, games, etc.) are not permitted in school. All such devices are to be left in the office with the secretary or, at the teacher's option, turned in each morning and picked up at the end of the school day. Students may not use cell phones or other personal electronic devices on the school grounds without permission. Any student needing to contact parents for any reason must request permission to use the school office phone to make the call. Students who do not adhere to this policy will have the item(s) taken and forwarded to the school office. Parents and students should consider carefully whether it is necessary to bring a cell phone to school. The Basilica School will take no responsibility for damaged, lost or stolen phones or other electronics.

- First violation: Verbal warning--item placed in office.
- Second violation: Item placed in office and parent called to retrieve the unit.

## **NOTIFICATION OF RIGHTS UNDER FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal (or appropriate school official) identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5920

## CHILD PROTECTIVE INVESTIGATIONS

Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

## TESTIFYING IN DIVORCE OR CUSTODY PROCEEDINGS

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

## USE OF PHOTOS

The school reserves the right to use student or parent photos in any school or Archdiocesan publication including but not limited to print publications, videos, or websites including Facebook, Twitter and other social media websites. Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year. **By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Archdiocese of Miami, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.**

**Additionally, Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.**

## ACKNOWLEDGEMENT FORM for Parent-Student Handbook and Parent Pledge Agreement

I, as Parent or Legal Guardian, acknowledge that I have read the entire contents of the Parent-Student Handbook and understand the consequences of any violations of the rules and policies of the school.

I agree to cooperate with the school in the interpretation and enforcement of the policies outlined in the Parent-Student Handbook. I also understand that the school has the ultimate authority over the administration of the school and the interpretation of the school's rules and policies. Moreover, I further understand that all of the school's policies whether written or verbal are only guidelines and are subject to change at the sole discretion of the school with or without notice.

I also hereby acknowledge that I have read and agree to the terms of the **RELEASES** outlined in the School-Sponsored Events Policy, the Participation in School Athletics or Organizations Policy, and the Use of Photos Policy.

### PARENT PLEDGE

In as much as I want my child to have the best possible education, and acknowledging that strong school systems in conjunction with parent's or guardian's nurturing and support are essential to that purpose:

- I will provide a home environment that will encourage my child to learn. I will help my child appreciate and enjoy the excitement in learning and the thrill of an inquiring mind.
- I will work with my child to ensure that homework assignments and projects are done on time.
- I will work with and meet with my child's teachers on a regular basis.
- I will remind my child of the necessity of discipline in the classroom, especially self-discipline, and the importance of reverence, respect and responsibility.
- I will assist the school by volunteering during the school year. I understand that 20 hours per family is recommended. If I am on special tuition assistance, I will volunteer the recommended number of hours specified by my agreement.
- We will be an example of living our family's faith, strengthen our family prayer time and encourage Gospel values. If Catholic, we will attend Mass each weekend. If our family professes another faith, we will actively participate in our faith's services and practices.
