

It's time to dust off your lederhosen and start practicing your Chicken Dance because the 6th Annual Southernmost Oktoberfest is almost here and we would love for your family or business to be a sponsor of this great event!

Friday, October 19, from 5:00 until 9:00 P.M., rain or shine, The Basilica School of St. Mary's Star of the Sea will transform to a traditional German Fest, complete with Oompah Music, German Food and Beverage, and a special "Kid Zone" with free Bounce Houses and Face Painting. Tents, decorated with Bavarian blue and white and twinkle lights, will line the front circle of our majestic school, where the food pavilion will be serving a traditional German feast of bratwurst, sauerkraut, German potato salad, and rolls. A kid's meal of hot dog and chips will be available, too, along with cotton candy, pretzels, popcorn and German beverages, assorted sodas, lemonade, and water. Admission is free,

The Southernmost Oktoberfest is a great way for the school to show the Key West community our fantastic buildings and grounds, and families, while providing a safe and fun way for all to have a good time. Your support of this fundraiser would be greatly appreciated, and all money raised goes towards the school's scholarship fund.
