

5TH GRADE

summer

SUMMER WORK :

Math: Freckle Assignments
(3-4 Freckles will be assigned per week).

Reading: 2 books required

Book #1- Turtle in Paradise by Jennifer L. Holm - **OR** - a book from a series you are currently reading!

Book #2- Your Choice.

You will complete a character analysis on this book.

SUPPLIES:

In an effort to save you time and simplify the back-to-school process, the 5th grade team will be collecting a \$40 supply fee in lieu of a traditional supply list. This fee will cover all necessary classroom supplies for the school year! We look forward to welcoming our incoming 5th grade students at orientation on August 11th!

HAVE A GREAT SUMMER!

If you run into any questions, please email us at cline@basilicaschool.com or Stanford@basilicaschool.com

We look forward to an amazing 5th grade year!

Dear Future 5th Graders and Family,

The goal of this summer packet is to help you practice your math and reading skills that you have learned while in fourth grade to prepare you for fifth grade.

First, please continue to work online in Freckle, to practice your math facts and skills. Simply sign in to Renaissance AR and click on Freckle. Please read the attached Freckle handout for more details and your goal challenge.

Secondly, each student should read the following book, plus a book of their choice.

1. Turtle in Paradise by Jennifer L. Holm **OR** a book from a series you are currently reading
2. A book of your choice

After you finish reading, please complete the assignments that are included in your packet. You will return this to Mrs. Cline in August during the first week of school.

*Students are encouraged to read both books independently, but if needed, the books can be read aloud or listened to in audio form. Don't stop at two books! Please read more.

If you have any questions or concerns, please email Mrs. Cline at cline@basilicaschool.com or Mrs. Stanford at stanford@basilicaschool.com. Remember to work consistently so that you can finish by August. Have a wonderful summer, and we look forward to seeing you in 5th grade!

God Bless,

Mrs. Cline and Mrs. Stanford

FreckleTM
by Renaissance®

Dear Family,

Your child is getting ready to transition to a summer of fun and academic growth using Freckle. This engaging online learning platform allows students to practice math at their own level. Freckle continuously adapts to each student's individual skills, so they get the appropriate challenge whether they're working at, above or below grade level. Within Freckle, your child will benefit from lessons, videos and multiple chances to continue improving their math skills over the summer.

Freckle is accessible 24/7, wherever an internet connection is available. The student logs in to Renaissance, using the same URL, username and password that they use for Accelerated Reader.

**Step 1: Log into
Basilica Website**

**Step 2: Scroll to bottom
& select AR button**

**Step 3: Select
I'm a Student**

**Step 4: Enter AR
Username/Password**

**Step 5: Select
Freckle**

The Freckle summer math requirements are listed in the chart below. No code is needed. A new assignment or assignments will be posted each week. Please complete assignments by August 11.
